Additional Notes:

Capitol City Rifle Club permits club members to use the 25 yard pistol ranges independent of the 50yd/100yd range use. Please respect the club members using the pistol ranges while shooting this match.

Capitol City reconstructed the 100 yard berm late summer 2011. This allows MRPA to utilize the last 3 bays of the covered firing line for registered matches only. MRPA members that are also CCRC members please note that while using the CCRC for practice sessions all targets must be hung on the range target boards. Only MRPA registered matches can utilize the target frames.

Please arrive at least 45 minutes prior to your scheduled relay time to complete entry cards, pay fees, and draw squadding assignment. This will allow you time to prepare equipment and label targets for the match without being rushed.
